Dear Pastors and praying Friends,

I am thanking the Lord for each one of you. Thank you for being praying friends and supporting me and the ministry in Togo.

The Psalmist said: **"My times are in thy hand..."** I am so grateful to the Lord and to you all for the times you have spend in prayers for me personally and the ministry He called me to.

The paying of the dowry for sister Grace went well last January 27<sup>th</sup> by the Grace of God. It was a moment of gathering of the two families and there was unsaved family members that were there. I have the privilege to let everyone know that marriage is an institution of the Lord God and to have a successful marriage we need to turn back to God and His Word to see How He is the designer of it. I realized through this process of marriage of mine how Christian families in our countries still need to be taught about marriage.

If the Lord tarries to come, ( which is my prayer ☺☺☺ ) we will be at court for the court wedding on the **March 3<sup>rd</sup>** and the celebration at the Church will be held on **March10**. Please keep us in prayers the Lord Provision and protections sustain us through all.

Another thing to praise the Lord for is that my application for the system of communication has finally been approved and installed last February 15<sup>th</sup>, 2018. Please be in Prayer for us that the Lord may bless His Work over here and that His Gospel may have free courses among us. Thanks again for your prayers and financial supports. May the Blessing of the Lord dwell upon you and your families.

In His harvest,  
Emmanuel K ABOTCHI
