1Corinthians1:18" For the preaching of Crossunto usit is the power of God

June-July 2020

Dear praying friends,

I hope this update finds you all. We want to sincerely thank all of our financial supporters and prayer partners for all of your faithful support! We praise God for each one of you and please know that we would not be able to minister in Togo without your help.

Family Updates

We truly praise the Lord for every care He extends to our family through this trouble and fallacious time. Jaebets and Jonathan are doing well. Jaebets is getting more in troubles at this time. He is everywhere, touching everything and mounting on table. He has been mounting on and getting down from the motorbike on himself. He accidentally got burned by the exhaust pipe on the right leg. He is been thoughtful also by demonstrating caring heart toward Jonathan trying to calming him. It was a blessing seeing him grow as well as Jonathan. Jonathan turned six month last July 11th. Thank you for praying for us.

Ministry Updates

As we all know the new abnormal situation that we are living, we have not yet resume services here in Togo. The government, to respond to the sanitary crisis, has closed down Churches and declared a state of emergency for three months since April 1st. From last July 17th a decision has been taken to open some Churches and these as experimental phase for a month , leading toward total release on Churches to worship. However life in bars, market places and all over the country seem having no restriction. I would ask you to pray for Togo so that the place of God in the Country be acknowledged and honored.

I would like ask that you pray for us as we tried to minister to a small group of people every week through our disciple program. Pray for wisdom as we look for ways to minister in the midst of this abnormal situation.
