June-July 2017.

Dear Pastors and Praying Friends!
Greetings from Lome ,Togo. I would like to thank you for your prayers and your financial support. I am so grateful that I have a block of prayer warriors behind me through my deputation journeys. I have held meetings in 20 States and have traveled about over 150000 miles. Looking back I can testify of the faithfulness of the Lord and I am encouraged to face the next step which is the beginning of ministry in Togo, Africa. I really appreciate all helps and donated materials needed for the ministry and do thank you and will request a special prayer that the Love and compassion of Christ been seen and left and that His Grace's been accepted.

My last moment in US has been very busy and full of unexpected situations but through all I have seen the protected hands of my God upon me. I was obligated to cancel my flight from Columbus, OH to NJ and drove from Columbus to Newark, NJ due to some complications regarding to the baggages. I have by the help of the Lord undone my baggages and repacked them into barrel which have been shipped by sea.

Reunion with a friend that I have named

Ready for house hunting

Someone has been faithfully praying for my Bride and her name is known now and is Grace. 😊😊

It was such a joy to see my family and friend once again and the joy of the reunion was great. My first two weeks was spent in the location which was close to the family and I was able to visit with them after many running in the days. Now I am lodging with a Missionary family that will be helping me for the beginning of my ministry. I am still searching for house to rent and would appreciate your prayer regarding that. The stuff that I have shipped to Togo should be arriving here on July 22.

Thank you very much for your prayers and financial Supports

In His Harvest
