Stateside Visit

August 2017

At the beginning of August we were given the news that Amanda's mother, Arlene, has stage IIIC colon cancer. Then, at the end of July, my grandfather past away from stomach cancer. For that reason, we will be visiting the States from the 23rd of August to the 6th of September. That being said, this will only being a family-related visit, and will not be an opportunity to visit churches. **Please pray for our upcoming trip.**

Thousands Hear

In April, I received an email from BBC Radio stating that they wanted to meet with me and arranged coming by the church to broadcast our church services. On July 9th, they recorded our services (morning and evening). Last Sunday (6th of August), our morning service was broadcasted twice in the day. I preached the Gospel as clearly as I could. 45,000 people listen to the program each week. Praise the Lord for the evangelisation of thousands! **Please pray that God will give lasting fruit as a result of this broadcast.**

Youth Ministry

In our last prayer letter we asked you to pray for the salvation of 12-year-old Shaun. During our recent church retreat, Shaun informed me that he trusted Christ in September, but had not found the opportunity to talk to me about it until the retreat. **Praise the Lord for prayer that God answers before we even ask!**

We were also blessed to take eight kids and teens to a Baptist camp in Wales. There were nearly 70 in attendance through the week. We were able to participate through music, skits, teaching and preaching. Three kids (not directly connected to our ministry) trusted Christ! **Praise God!**

Thank you for you prayers and support!
