

The Miskito Post

Reaching the Miskito People of Nicaragua

Hawleys to Nicaragua

March 2018

Outreach

Please Pray for:

- Laborers
- More souls saved and spiritual growth
- Bible Institute
- Our personal and home security and health
- Development of mission base
- River ministry

Sending Church:

Shadow Mountain Baptist Church
17810 Monterey Rd.
Morgan Hill, CA 95037

Missions Organization:

BIMI
PO Box 9
Harrison, TN 37341
Missionary #1467

Contact Info:

brentwhawley@gmail.com

There is no mail service to Waspam, so any mail should be sent to (we will eventually get it):
Brent Hawley
449 Quail Court
Taft, CA 93268

The local church plant in Waspam is coming up on four years of existence. From the beginning, we have taught the new Christians what the Bible says about the purpose of the local church. A big part of that purpose is fulfilling the Great Commission. After a lifetime of hearing the warped version of the truth that Satan has subtly crafted through religion, the Miskito People must hear the Truth about salvation! We know that God has commanded His children to go and preach the Gospel, yet in relation to the harvest, the laborers are still few. Our desire is to always put before the local believers their responsibility to reach their Jerusalem, Judea, and the world. As part of our missions week, ten members of the Waspam church and I took an evangelistic trip to a village called Saklin (pronounced "sock clean" in spite of how muddy it was..). We spent the day sharing the Gospel

in nearly every house in this village. It was wonderful to see new Christians sharing their faith! We gave out many tracts and Miskitu Bibles. This was our first time in this village, but we plan to return.

A quick photo after explaining the Gospel to this group of boys

Now that the church in Waspam is established with a national pastor, people have asked if we plan to move to another place. I want you to know that we are constantly reevaluating our role in the Waspam church and seeking the

Lord's will for each step. Waspam is basically the end of the road in northeastern Nicaragua, but there are dozens of smaller villages reachable by river travel and some by four wheel drive. We believe the Lord

Group from Waspam in Saklin

would have us base out of Waspam, invest in the local believers and perform regular outreach to outlying villages. Pray for Miskito Christian laborers.

Boat Update

Through a partnership with another BIMI missionary as well as your giving, I purchased a boat and motor for river outreach. I had to make some unexpected repairs to the boat, but soon got it on the river. I'm now making some modifications

to try to improve the stability before using it to transport outreach teams. I purchased this boat used at a low price just to "get my feet wet" in this new aspect of ministry, but am looking for a flat bottom aluminum boat due to shallows. The motor is new.

Looking forward to see how God will use the river ministry
