Dear Pastor and Church,

I would like to apologize for being late with this prayer letter. It seems that these past few months have been a whirlwind. In November we were able to hold our first baptismal service. It was such a joy to see Ellis trust Christ in August and then follow the Lord in baptism in November. She is growing rapidly in her walk with God.

In December, we began holding Wednesday Bible Studies in the same community center that we use for our Sunday Service. This has proven to be a great blessing to the ministry. We have nearly as many to come to Bible Study as we do on Sunday morning. Many who are attending other churches in the area come to our bible studies and regularly comment on how much they enjoy learning doctrinal truths. We are seeing folks grow in the Lord and the knowledge of His Word.

We also held a Christmas dinner that we opened to the community on Christmas Eve. Many from the community attended and I had the opportunity preach the Gospel to them. From that service, we have had one couple, a single man and also lady and her 4 children to start coming on Sundays. God has greatly blessed this outreach.

I am pleased to announce that we will be starting another Church about 20 miles south of where we are establishing the Church in Dumfries. This New Church plant already has about 20 attending bible studies each week. Please pray for us. We are excited at the opportunity but also very alert to the awesome responsibility that this places on us. We are here to serve God and establish Churches and are going to do all that God will allow us to do in order to fulfill that role to the fullest. This newest Church plant is in the town of Gretna, Scotland right on the border of England.

God allowed our family to move just a few weeks ago to Dumfries. We have been living in a very small 3 bedroom house about 30 minutes away from the Church in Dumfries. This move not only puts us 6 minutes away from the Church but also gives us a much larger house for nearly the same price of the smaller house. We are enjoying being able to minister more frequently in Dumfries and have a closer interaction with our Church family.

Please continue to pray for us! Pray for Scotland! Specifically pray for the Church plants in Dumfries and Gretna.
