

# the Klassens to Mexico

Planting the Gospel Among the Mennonite People

January – February, 2022

Dear Praying Friends,

We appreciate another opportunity to report on the work here, and also to share news from us personally. Our family is well, and we are thankful for that. As we shared last time, Mabel is preparing for her wedding in July. It is exciting but we are sad to think of her leaving the home. We are very thankful though for God providing a godly young man who we are confident will lead their home right. Joseph has begun working a part-time job in a mechanic shop and is learning a lot of things there. Bethany continues in various types of work and Virginia is helping me with secretarial work. From Virginia and down the kids are still in school and are close to wrapping things up for this term. The weather is turning nice, and we hope to do some gardening this summer. Our house still has not sold and we continue to ask for prayer in that regard. We have been able to continue work on the church building though. It seems the last things take the most time.

Attendance in the church remains good with a sweet spirit among the people. Another family that used to visit sporadically has begun coming faithfully. I see that the attenders are growing and that blesses me. Some things that we have been praying for have been answered lately; these are in regard to decisions being made by our people. Their making right decisions is such an encouragement and testimony to God's faithfulness. Two of our young ladies will be relocating due to work and school. Please pray that God keeps them from temptation and that they would stay faithful in walking with God. Another young man that I came into contact with needs prayer also. I was able to share the gospel with him and he committed to receiving Christ once he would be alone. He did seem sincere in understanding his need and wanting to make the decision to be saved, however, I have not been able to contact him since.

Our Bible Institute classes continue on and are going well. This week exams are being written and prayer is appreciated. Next week we begin a conference on missions. We have the privilege of hosting a missionary who has been on the field for many years. We support the family, and we anticipate the report they will bring. Please be praying for us that God would stir hearts toward missions giving and surrendering to God's will. I would like to see us do more for missions this year than last.

Please pray with us that borders would open up. Freedom to travel is a privilege that has often been taken for granted in the past. We would love to have some company from Canada again, especially in celebrating Mabel and Abe's wedding. We are thankful though that life here has not been affected by Covid as much as in other areas.

God bless you all for your faithfulness to Him and to His servants. May He be honoured in all we do.

In Christ,

Will Klassen
