*Serving in Nepal*

"...they have addicted themselves to the ministry of the saints...  
they have refreshed my spirit..." - I Corinthians 16:15-18

Dear Prayer Warriors and Supporting Friends,

When we receive an email or note in the mail, we know others care. When someone comes to visit, it lifts our hearts as nothing else can. We were blessed to have our pastor come with some of Jamie's family to visit for nearly two weeks. It is so fun to share firsthand our life and ministry here in Nepal. They served and preached in two churches here in the city, another in the village, a children's home, and at the Bible college (teaching workshops on sewing and electricity) We also got to help another missionary give flyers for their church plant.

Luke enjoyed the unique privilege of translating his first full Bible message for Pastor Wyland at the village church!

Prior to their coming, we have taken several trips in preparation for our future ministry. There are many places needing church plants, and we are trying to be sensitive to the Lord's direction. Some of our travels have taken us to existing small churches where we can encourage the pastor and people. A village about three hours southeast named Mangaltar Luke had visited with another brother last year. A few months ago, the church we attend committed to holding meetings bi-weekly there. God is

at work and there are several interested people attending. Another village near Trishuli has some believers requesting a church to be planted. This is about three hours northwest of us. Pray as a couple of us plan go investigate that area and preach!

Please keep us in prayer as we have many things to finalize as we end the school year and prepare for our furlough in America. We will be based near family in Okeechobee, Florida. We look forward to seeing many of you, but will not be able to visit everyone. If you would like us to come visit and give a report at your church, please contact us soon. That Christ be Lifted Up,
