

The Knickerbockers

Serving in **Nepal**

July/August, 2017

Dear Faithful Prayer Warriors,

Our family has been making the most of our time in the states! What a blessing it has been to visit with family and friends in many churches. We have already reported in several churches in Florida and 6 other states!

In June, Luke and our son Paul had the privilege of attending our mission board's annual conference in Georgia. The great preaching was very challenging. It was an honor to help teach the new candidates about deputation. Afterward, they met up with Luke's parents in Iowa where they helped our Grandma Carol with some work on her farm. It was fun for them to travel and preach together at some churches.

Meanwhile, Jamie waited for the arrival of our new nephew in Florida. She was honored to assist in the delivery of this precious newborn! Our kids have loved spending time playing with their cousins.

In July, we were thrilled to help some family in Ohio with their street festival. Luke and our son Jason walked around and made a few hundred balloons while giving out cards advertising "See and Hear the Greatest Story

Ever Told with Balloons!" on our website: www.PilgrimofTruth.com.

Another recent highlight was seeing a teenage boy walk the aisle and trust Christ to save him at a church in Ohio. Then yesterday, after a church service in Florida, our daughter Abigail was under conviction about her need to be saved. Luke happily lead her to Christ.

We cannot thank you enough for your faithful support and prayers on our behalf. God has protected us and brought us through many challenges. Upon our return from Nepal, we had to deal with a difficult situation that resulted in moving our church membership. We are thrilled however, to announce that we are now members and sent out of Southside Baptist Church in Tampa, Florida, under the leadership of Pastor Kerry Nance.

Please pray for us as we have a lot of miles to travel in the next few months. We look forward to seeing many of you soon. Also pray for the Crown Nepal Bible College as they start the new school year in less than a month with 22 full-time students!

In Christ,

Luke and Jamie Knickerbocker
