

THOMAS AND BARBARA KNICKERBOCKER

“Why art thou cast down, O my soul? And why art thou disquieted in me? Hope thou in God: for I shall yet praise him for the help of his countenance... who is the health of my countenance.” Psalm 42:5,11. In these uncertain and difficult days as long as we are looking to our God, we can experience true joy and peace. May it show on our face. Amen?

Fall HELP Conferences in Florida

When Covid-19 hit our nation this past Spring, I thought, “How will this affect our HELP Conferences in the Fall since we cannot bring in national pastors from other countries?” The HELP leadership has asked a number of our missionaries to make videos of their field which will then be shown in over 40 churches here in Florida who are interested in having an abbreviated conference. Bro. Scotty Drake, Bro. Glenn Moorman and I will be showing the videos and challenging the churches for world missions. We are excited to get started on September 13! For the month of November, we will have Pastor Manuel Gomez from Mexico in our services. He is a powerful preacher and has done a great work in a drug cartel-controlled area of Mexico. Give me a call if you would like to have one of us for a Sunday or a Wednesday.

New Piano Student

Barbara stays busy teaching Sunday school, being a substitute church pianist, teaching three children piano

and also teaching Art class to our daughter Katie’s five home-schooled children. One of our granddaughters, Allie, is now six years old and will be starting piano lessons soon. It has been a joy to spend the summer in Florida near our family and home church. Usually, we would be up north with one of our national pastors for June and July.

New CD - The Ambrocio Family

An unexpected blessing was meeting the Bong Ambrocio family. This Filipino family has been stranded here for the past few months because of travel restrictions linked to Covid-19. I heard his wife and teen-age children sing in a couple of area churches here in SW Florida and realized they had a quality sound as they sang for the Lord. In early August, I recorded them at my home music studio and it is now complete. You can order a CD from me for a gift of \$10. each. You will be blessed as you hear the sweet sounds of this family’s close harmony.

JULY – SEPTEMBER, 2020

I took the opportunity to be hired as a US Census Bureau Enumerator. This will only last through the end of September, but it will help with the finances. It has been a joy meeting many nice people and being a witness as well as a blessing as the Lord opens doors.

New Book
Miracles in Missions Vol. 2

Dr. Cham

McMillen, our HELP Vice-President took upon himself to raise the money to have my newest book telling

the stories of 20 of our national pastors printed and mailed to all the churches that support HELP Ministries. We pray that God will use both Vol. 1 and 2 to show how God still is working miracles today for His glory. It will encourage the reader in seeing how their missions dollars are making a difference around the world. Each Vol. is only \$5.00.

Filling a Pulpit

For the month of June, I filled the pulpit for Pastor Forest Devore of Grace Baptist Temple in North Fort Myers. It was a blessing to be a blessing as he and his wife got away

for three weeks of needed rest and
relaxation.

Thank you for your faithful friendship
and support for this past quarter.
