

MEDEIROS FAMILY

Hau'oli Makahiki Hou

Hawaiian for Happy New Year

The new year time is usually a time of reflection. After reflecting on the past few months, we know that God is using us and blessing our time on deputation. In November and December, God allowed us to have 3 more meetings that we did not have previously scheduled, and two churches we visited donated \$1,000 each to our startup costs. God is definitely using His people to help us start another church on Oahu.

In November, we were kept busy in New England as we visited 9 churches in 22 days. The pastors we met with and church members we got to know were such an encouragement to us. We were able to attend a missions conference and a missions emphasis Sunday among those meetings, with another church taking us on for monthly support within the week. December is always a busy month for churches during the Christmas season, so we are thankful for those that had us in to present. As a family, we were finally able to spend Thanksgiving and Christmas with Sarah's family in Pittsburgh this year for the first time in four years.

Help us pray as we are starting to plan for the future. We know that God will provide, and we are starting to look at different possibilities for a building location for the church. There are many pros and cons to each location, so we need God's wisdom to find a building. Praise God that even though we did not have a lot of meetings scheduled during the holiday season, the extra time allowed us to concentrate on different responsibilities, and also be active in some outreach opportunities at Sarah's home church.

Ministry Update

Summary of the past few months of Deputation

Ministry

We have been privileged to travel the Northeast these past few months. God has had a hand in scheduling each and every meeting, as we saw that sometimes a Pastor needed extra help, we were able to connect with certain people, or the sermon fit perfectly with what the Pastor had been preaching. Looking to the future, we have been able to schedule 63 churches for 2017, and we are excited to see what God is going to do.

Time and again, we have seen God provide for our family's needs through love offerings from churches and people we have met. Along with our personal needs, God has helped us raise 14% of our startup costs which will be used for things such as a sound system and beginning outreach materials. Churches that have taken us on for monthly support have together covered about 9% of our goal. This will be used for rent and recurring costs.

You can help by donating one-time or on a monthly basis. You can send your check to Central Missionary Clearinghouse. Visit the giving page on our website for more information on how to donate.
