

Kauwela

Here in Hawaii, the word for summer is kauwela. We have been starting off our summer the same as most of you, I'm sure. We started our in person services at the beginning of June with our Sunday mornings, and are slowly transitioning from our online services according to our state's guidelines.

Although this might have not been the summer we were planning at the beginning of 2020, we are excited about the doors that are opening due to the current events in our country.

First, our church family was excited about doing an outreach in our town's 4th of July parade, but because of Covid, our parade was canceled. Instead, we are doing a thank you to our first responders on that day to show them our appreciation as a church family.

Secondly, we wanted to do a special outreach going into the fall, but everything seemed to be canceled or uncertain. So, we called our local public school (which is located across the street from us) and asked what they thought about us doing a school supply drive for the children since our economy was so affected by COVID-19. They informed us that they just had a meeting with the school staff with that very concern, and our Church family is excited about this opportunity God gave us to be a blessing to the kids, but also to be a good testimony to our whole community, as we are going to open it up to anyone in the area who would like to be involved.

We know through emails, notes, and social media that you are praying for Maluhia Baptist Church, and we appreciate it so much. Please continue to pray for our people to be comfortable coming back to church after quarantine, and please pray for us to have opportunities to share Christ through these new outreaches coming up.

Mahalo for praying for us, and please keep in touch with our family. Your encouragement is invaluable, and we love hearing prayer requests from you that we can pray for as well.
