## Bringing hope to the people of Spain

Greetings Church family and faithful supporters,

We praise God for the amazing things He has done and is doing here in Madrid. We are full of blessings and praise as we write this prayer letter and share with you fruit that abounds to your account. In a previous letter, we asked prayer for a Spanish lady named Gema, that she would get saved. Well, we are very excited to share with you that two weeks ago, Gema came to church and brought a friend with her, another Spanish lady named Yolanda. There was a salvation message preached and an invitation given that those who would like to repent of their sins and receive the Lord Jesus Christ as their personal Saviour to stand, and Gema and Yolanda both stood up and called on Jesus to be their Saviour. We talked with them both after the service to make sure they understood what they had done and for sure they did! So we went to meet Yolanda for coffee a few days later to begin discipleship with her. She brought a friend with her named Carmen who was very interested in what had happened to her friend and began asking us a lot of questions. We quickly realized that she was ready to be saved and was truly seeking to know God. We took the Bible and began to show her verses about salvation, and right there in the coffee shop she called on Jesus Christ to be her Saviour! It was really exciting to say the least. We now meet with them both every Wednesday for a Bible study. Last Friday we met with Chus, a dear friend of Claudia that she met about a year ago. We were talking to her about baptism and out of that conversation, she wanted to make sure she was saved! What a privilege

and a blessing! Please pray that she will take the next step in baptism. This past Sunday we had a Baptism service and I am excited to be baptizing for the first time here in Spain. It truly is God's work and all done for His glory as we are learning that we just need to let God work in us and through us. We continue to have visitors each and every Sunday at our church, so please keep praying for us to reach our community with the Gospel of the Lord Jesus Christ. I cannot express to you all what a privilege it is to be a Missionary serving here in Madrid, Spain! We have our hard days, our difficult days and even frustrating days but to see what God is doing and what He has done, well, I stand amazed and humbled. We have a faithful lady who attends church every service, however her husband is not a believer. We received word that he had been admitted to the hospital for a number of health complications so we went to see him. We ended up being able to visit him three times while he was there. We brought him a Bible, books, pamphlets and tracts to read while he was there. His wife had been going to church faithfully for many years but he had never been. One Sunday I was leading music, when I walked this gentleman with his wife and he has been to Church four times now since. God is working in his life and we pray he will soon get saved. Thank you for praying for us and for our ministry here! God is answering your prayers. To God be all the Glory and praise.
