

The Meyer Family Missionaries to Spain

As I write this letter, I am very burdened for our situation here in Madrid. Our building was already small but with the restrictions and requirements in place it has become a nightmare. I am so very thankful that during the lockdown our Church has actually grown and has a great spirit right now with lots of enthusiasm. This past Sunday we had Church in the home of our coworkers, Josh and Brenda Casey, as they have a more space in their home with the patio area ect... well even with that we had more people than we were supposed to have. Its just very difficult to think of turning people away for Church. I was so excited that my neighbour came who I have been friends with for over a year and is an avowed atheist! I can't even describe how I felt to see him there! Please pray with me for his salvation, his name is Juan Carlos. We are desperate to buy the building behind us which is three times bigger and has a lot more foot traffic and visibility. We need around \$20,000 for the downpayment in order to secure a loan. We praise God for the Churches that have been able to help us already boosting us to 13,000 raised towards the downpayment. So the other day, my co-worker, Josh Casey, invited me to play Padel (its a mix between tennis and racquetball) with 2 Spanish guys he had met in the city where he lives. Of course we went for tapas after we played. During the conversation one of the guys named Julián told me he worked in finance and then he gave me his card. His last name is Bautista (Baptist in English) So I told him it was meant to be because our Church was in the process of looking for a loan and we are a Baptist Church! we had a good laugh about that! Well Saturday morning we have an appointment with him to begin the process and submit all the paperwork ect. So please pray that we will be able to get the loan once we reach the 20,000 but even more importantly, for Julián's salvation. I think it would be cool to see Señor Bautista become a baptist! God has blessed us with an incredible team here and we are so excited to be working together and to see what God is doing!

We ask and plead for your prayers and if the Lord leads you, your help with this project. We have been blessed to have several new visitors recently. Also on Sunday, my daughter brought a friend with her who told me he was seeking God. He was very interested in what he heard on Sunday and would like to meet again soon. I do believe God is working in his heart so I am very excited to see what God will do in this situation.

I have attached a video I shared on Facebook a few days ago just sharing my heart. Its only a few minutes long.

Thank you all again for your prayers and faithful support for our family and ministry here in Madrid, Spain.

We love you all,

**In Christ,
The Meyer Family**
