

Dear Jones Family,

It is with great excitement that I write this letter, to share with you that God has taken us to the point in our ministry where we are ready to plant our first church here in Madrid. We have a small group of people currently meeting in our home. We have located a place to rent to officially launch our church. While this is exciting and wonderful it is also on a big step of faith that we move forward, considering all that is included in starting a church from scratch. I know that God uses His people and His churches to supply the needs of the ministry, so I wanted to write to you personally and let you know about the need here and see if God leads you to help us. First, we covet your prayers for us as we begin and as we move forward. Second, there is a significant financial cost to opening the church as I will lay out the expenses for you to see so that you will know how to pray for us specifically.

1. 5 months of rent, equivalent to \$2,800.00  
(this includes 2 months of deposit, 2 months of rent and the current month)
2. The space requires some renovations (aprox. \$600)
3. Chairs and pulpit (aprox. \$700)
4. Church sign (its being priced out right now)
5. Furniture for kids/toddler classroom (\$350.00)
6. Computer and projector (\$1100)

Our Church name is More Life Baptist Church or (Iglesia Bautista Más Vida in Spanish) taken from John 10:10. We are in Alcorcón, Madrid. We are about to print 25,000 tracts to start with and we have a website as well. The final piece is to have the church open so that when we begin passing out our tracts, talking with people on the streets, and advertising online, there is an actual church for them to go to. We are having some trouble already with our next-door neighbors by hosting the Bible study in our house, parking situations and such that we need to take this step and transition from Bible study to church. We desperately covet your prayers as we take this next step in our ministry.

Your friends in Madrid, Spain,

The Meyers
