Bringing hope to the people of Spain

Greetings Church family and faithful supporters,

We are so excited to share with you all that the Lord has confirmed in our lives, starting with where He would have us plant our church here in Spain. The location is the city of Alcorcón, a suburb of Madrid, which is located in the southwest section of the city. This municipality is one of the largest in Madrid and has all the checkmarks that we had been praying for:

1. It is a growing thriving community with a population of about 200,000.
2. Alcorcón has two train stations and several Subway stations with direct access to the center of Madrid, making us well connected to the rest of the city.
3. Alcorcón has a university, Universidad Rey Juan Carlos, which is where we would also like to start a ministry reaching university students. .

We will begin by passing out tracts and sharing the Gospel with people in the streets, parks and in the university of Alcorcón. Our plan is to be able to begin a Bible study and once we have 2 or 3 families we can then look at renting a small place to meet. This is good on paper but in practice we know it will take lots of time, patience, work and a whole lot of prayer. We already have our first contact in Alcorcón who we met in a very interesting way: My wife bought some small tables from *MilAnuncios* (the Spanish version of Craigslist). The owner happened to live in Alcorcón so we drove there to pick them up. We met Gemma, a very sweet Spanish lady, while there to pick up the tables. We ended up talking for 20 minutes and come to find out she was born and raised in Alcorcón. We asked her if we could invite her to have coffee with us one day so she could tell us all about her city. She agreed and a week later we met for coffee. She is our first contact in Alcorcón and it was no accident or coincidence that we met her. We shared the Gospel with her and we have plans to meet with her again. Please pray with us that as we talk to her more, Gemma will accept the Lord Jesus Christ as her personal Saviour.

Prayer Requests

1. Funds for purchasing and printing 50,000 specialized tracts with a clear Gospel message as well as our personal contact information to foster contacts.
2. The finances to build a first class website to accompany the tracts we pass out.
3. For the precious souls of Alcorcón to be open to receive the Gospel of the Lord Jesus Christ.

In Christ,

The Meyer Family
