

The Meyer Family Missionaries to Spain

Thank you to everyone who has been praying for us and the remodel of our new building. The first step was demolition as our new building was previously a bar and absolutely disgusting. Once that was finished we set our goal on finishing the auditorium and one bathroom in order to begin having services there and not have to pay any more rent in our old place.

A huge blessing we want to share with you, a few weeks ago we had to have 3 services due to the capacity limit, we had 3 first time visitors and 2 accepted Christ as their Saviour. Praise the Lord!

Our last Sunday in the old Building was February the 21st. We watched a brief slide show showing the history of our time there and all that God had done. We had a special prayer thanking God for that location and all that He had done there and looking forward to beginning a new chapter in the life of our church.

On Sunday the 28th of February we had our first service in our new building. However, what should have been a day of celebration and rejoicing was tainted by complications from Covid 19. Despite all of that, we still had an amazing service. One couple from Alcorcón hadn't been to a service in over a year and with tears told me how much it meant to gather in person again. The message that day was entitled: "The God who gives us strength".

We are moving forward with the remodel step by step. We are so very proud of our church family as they have been giving sacrificially to keep the remodel moving! We need to finish the ladies / handicap bathroom and the children's room which are downstairs, and then we can begin with the upstairs where we will have the kitchen and church library.

I would like to ask specifically for your prayers as right now we are under heavy spiritual and Satanic attack. It's obvious that Satan doesn't want us to have this church here. To be honest, we as a family feel beat up and tired from a relentless string of attacks that have come from all sides. For those reasons we covet your prayers for our family and ministry.

We are planning a much needed furlough from August until November of this year. We were planning on doing it last year, as it was our four year mark on the field, but due to Covid and our finances, we were unable to do it. Going on furlough is something we are seriously praying about. We were hit really hard with our taxes this year, as many missionaries were, and due to the lockdown and cancellations there were much fewer items to deduct, thus we had to eat the cost in our taxes, which were really high. If I may share a personal need with you...we do not have the finances or the ability to purchase our plane tickets for our furlough. If the Lord should lead you to be a help in this area we would greatly appreciate it.

- We love you all,

- The Meyer Family
