Dear Pastors and Praying Friends,

Thank you so much for your continued prayers and support. The Lord has answered our prayers for a rental space to start a church. We have rented a space in Lukavica, a town connected to Sarajevo but in another state, the Republic of Srpska. The Lord has been so good in giving us a rental located in a part of town that has no Gospel preaching church. Lukavica is a growing area with a great need for the Gospel. Please pray with us that the Lord will prepare hearts here to receive the Gospel.

Our next step before we can have services is registering a church. We will be applying for the registration of a Baptist Church in the next few days. About 30 days after we apply we should get a resolution from the government stating whether or not we are registered as a church. Once registered we will apply for a tax id number and open a bank account in the name of the church. Lord willing all of this will happen smoothly and we will be able to start having services in September. Thank you for your continued prayers during this process.

Praise the Lord our Pastor, Austin Gardner, is now home and recovering from his time in the hospital. Thank you so much for praying for him! Please continue to pray for his continued recovery.

Please prayerfully consider supporting the Center for World Evangelism. The Center is buying land that will be home to Vision Baptist Missions and the Our Generation Training Center and give them more space to continue preparing missionaries to take the Gospel into all the world.
