Church Planting through Furlough Replacement

May 2018 – Currently in the Berlin, Germany

Dear Praying Friends,

Thank you for your prayers on our behalf. We have made it safely to Germany. We are currently in Koenigs Wusterhausen for an overlap with the Talleys.

We were taken to the airport once again by Ray and Judy Moen on Saturday, April 28. The flights via Reykjavik and Amsterdam were uneventful and our baggage all arrived unscathed. Praise the Lord! The Talleys met us at the airport and we have had a blessed time getting to know them, the area and the people of Freie Baptistengemeinde. Yesterday we met with the

saints for worship and an after-service cookout. Most of them have agreed to meet for a Bible study tonight. This

week, we depart for Wales via Copenhagen. We are scheduled to return here in mid-August to begin our replacement. The reason we are having the overlap now is that we cannot get back here before the Talleys must leave, and there will be no time to learn much then. Please pray with us that we retain the information during the time in Wales.

Let's talk about why we have an overlap prior to replacements. Every new culture and place requires that we learn a whole new set of guidelines. Everything from driving laws to how to greet folks must be learned in order to keep from crashing physically or socially. We must learn the where, when and how for ministry, shopping, dining, tipping, greeting, banking, mass transit, exchange rates, witnessing and all of the little things that we take for granted. This does not even begin to address the language barrier. Without the grace of our God, the help of His children and the assistance of friendly natives, this job would be impossible. But with God, all things are possible!

This week, we are scheduled to depart for three months filling in for the Roberts in Wales, and we look forward to learning another new culture. Thank you for all your support, prayers and love as we continue this needed ministry.

Praises!

- * Great witnessing opportunities
- * Good health and strength for the task
- * Safe flights and baggage intact

Please continue to pray with us for:

- * Fruit from the many witnessing opportunities
- * Continuing travel
- * Replacements in Wales and Germany

In the Beloved One,
Jim and Myra Wright
