Church Planting through Furlough Replacement

February 2018 – Currently in the States

Dear Praying Friends,

We are so thankful for God's grace bestowed on us through the prayers of many. Thank you for your part in that!

Our time in Hungary was such a blessing to us. We had the joy of teaching a college class on

That schedule includes filling in for our own pastor in our sending church in Pecatonica, IL. Pastor Myers will be taking a sabbatical to write his thesis in completion of his doctoral studies.

It has also been a delight to be in our own home for a month. We have owned the home for over a year now but have lived in it for less than three months total. After having no home for six years, this has been wonderful.

We are currently on a month-long reporting trip. This trip will have us reporting in Illinois, Indiana, Pennsylvania, South Carolina, Georgia, Ohio, and Michigan. We are also seeking to raise more support and rejoice that Community Baptist of Croswell, Michigan, has taken us on for support.

Pastoral Leadership. Five of the young men completed all the requirements before our last Sunday in Pecs. The Hungarian saints are dear to our hearts, and to minister with them is a delight. To say "goodbye" is a sorrow that is greatly diminished by our scheduled return in 2020.

After arriving back to the States in early January, we immediately started reporting to churches. We have a full schedule between now and our departure in April.

Praises!

- * A safe return with all our luggage
- * New support
- * Safety in the air and on the road

Please continue to pray with us for:

- * Tomash's and Julie's salvation
- * Reporting trips February and April
- * Wisdom as we prepare for back to back replacements: Wales and Germany

In the Beloved One,
Jim and Myra Wright
