Church Planting through Furlough Replacement

Dear Praying Friends,

Praise the Lord, we are on station in Hungary!

On February 15, our Covid tests came back negative (thanks for your prayers), so we made our way to O'Hare on the 16th. United messed up our reservations because of the extra baggage. We took 100 lbs. of "The Bridge" tracts for the five Hungarian churches, so it took us an hour and a half of negotiations just to check in. After that, our flights were easy and customs in Munich and Budapest were smooth.

This is our seventh replacement in Hungary, so it feels like coming home. The language is coming back, and the tastes, smells, smiles and cultural idiosyncrasies are so familiar. We hit the ground running with services, counseling, visitation,

invitations to meals and entertaining in the church's prophets chamber, which is our home for the next couple of months.

Replacements here are unique in that once you have arrived, the other churches want you to minister

there as well. Three of the five churches, Budapest, Pecs and, Nagykanizsa have staggered their midweek services Tuesday through Thursday so that they can occasionally swap pulpits and share special speakers. We have also been asked to speak at ladies' meetings, a couples retreat and other get togethers. We are delighted to have our ministry broadened in this way, but it makes for a busy schedule.

The church here has been growing and it is wonderful to meet new saints. The Olahs have been doing a wonderful job. Please pray as there are other occasional attenders who still need Christ.

On the Monday after Easter, we shift our base of operation to Obuda, the 3rd district of Budapest to fill in for Zoli and Johanna Kiss.

Thanks again for keeping us before the Throne.

Praises:

- Safe travels for us and our luggage
- Opportunity to minister to vibrant and growing churches

Prayer Requests:

- Upcoming Couples' Retreat
- Divine appointments along the way

In the Beloved One,
