

July 2020 in the USA

Church Planting through Furlough Replacement

Dear Praying Friends,

Like many, in January our sending church adopted the theme "2020 Vision". Well, this year has not gone as we envisioned it. Fortunately, none of this surprised our heavenly Father. Although puzzling to us, His way is perfect.

Our July-August replacement for the Hammermeisters in Vancouver was canceled when Canada and the United States decided to keep the border closed.

May, June, and now July have been full for us. We have been busy reporting, as well as doing pulpit supply for Calvary in Sparta and our sending church in Pecatonica. We worked in our church's VBS. We have been doing

counseling and getting to know many of our neighbors. Our condo HOA president has been using our building experience in securing estimates and evaluating bids for needed work. The up side is that we are making many friends and sharing the Gospel as the Spirit leads. Myra

discovered that one of our neighbors is deaf, and her sign language skills has created a bond. We have also been getting much work around our house completed.

Looking forward, August is scheduled with a reporting trip to nine churches in Minnesota, Washington, Oregon and Idaho. Lord willing, September takes us to Anchorage, as well as a trip to eight churches in Wisconsin, Michigan, Ohio and Pennsylvania to report.

We have purchased the tickets for our October-December fill-in for the Olahs in Nagykanizsa, Hungary. We may need to get Covid tests done or go early and quarantine for 14 days, but we are determined to go if there is any way possible.

Thank you so much for upholding us in prayer!

Praises!

- * Opportunities to share Christ with neighbors
- * New ways to serve Him
- * Safety in travels

Please continue to pray with us for:

- * Difficulties with our health insurance
- * Evangelism contacts
- * Safety on our reporting trips
- * That nothing will stop our fill in in Hungary

In the Beloved One,
Jim & Myra Wright
