July/August 2017

Dear Praying Friends,

“Blessed be the Lord, who daily loadeth us with benefits, even the God of our salvation. Selah.” Psalm 68:19 Think about this verse. How often do we overlook these daily benefits? I'd say more than we care to admit. We serve a great God! He has blessed us these past two months beyond what we could imagine! A family in our church donated a fifth-wheel trailer to our ministry! We have been truly humbled by the kindness of this family! Saying “Thank You!” seems so small! It is a kindness that can only be rewarded by God Himself. I plan to write up a post for the blog, so check there for pictures. (*web address at the bottom of the page)

Unfortunately, most of the month of July was not so good for Terry. Work came to a halt after a tick bite became infected. By the time he went to the doctor he had a second spot on his back and the infection was so bad they didn't even test for Lyme's. Instead, he went on antibiotics for three weeks. Praise the Lord after a few days he started to gain strength again!

Projects for the two months were; some small things for our Pastor, finishing up our church nursery, and helping Bible Baptist in Leola with some drywall work.

Terry, Erin & I are making plans for the trip to New Mexico coming up. We were not able to make a survey trip due to Terry's sickness, so we will leave a few days before the rest of the group to try to get a plan in place. Please pray for the work to be done in New Mexico: pouring a concrete slab for new housing for school staff, many other small projects, and helping in the school. Pray the funds will come in to make it all possible! We serve a good God Who does not have money problems! Josiah is all settled in at New England Baptist College. We would appreciate your prayers for him (he would too!). Please also pray for three upcoming meetings! We are excited about getting to present our ministry to some new churches!
