March/April 2018

Dear Praying Friends,

God is SO good to us! I really do not know how to begin! As I looked back through the calendar to prepare for the letter, I was overwhelmed by the things He has allowed us to be a part of, really, since last fall! We love the fact that we GET to serve the Lord! It is such a privilege and ALL praise and glory go to HIM! With that said I'll just give a run down of the things done during these two months: We arrived home from Texas March 2nd (though it seems like longer!); met with our church's senior saints group to show our New Mexico presentation and fill them in on where we are going next; Terry did some small things at church like changing lights, worked on the men's room door, and did some drywall work; He also helped a local pastor with some things at his house; He made some phone calls, one to Pastor Hughs in Frackville, PA and he went up to check out that opportunity; We went to visit Josiah at New England Baptist College for one night of their mission's conference; A few weeks later we hosted to NEBC quartet with the girls at our house & the guys in our trailer at church; We had a fun night of games with them on Saturday!; We went to Ambassador Baptist Church in Pittsburgh on Resurrection Sunday to give a report; We were delighted to have Bible assembly back up & running at our home church to participate in once again!; We prepared for Greenland and went April 9th -23rd. Our trip was WONDERFUL! It was way too short for all the fellowship we could have done! All the work was completed (except two lights, chair rail & molding because the supply store didn't have these!), Praise the Lord! There is too much about that trip to write here so I hope to get pictures and stories on the blog soon! We still do not have internet at our home, so that makes keeping up with that a bit of a challenge!

Some upcoming things to pray about: the opportunity in Frackville, PA, summer camp June 25th -29th, opportunities to present our ministry, support to increase, but most of all that God will be glorified in our lives!
