

PRAISE REPORTS:

1. Praise God for meeting some of our special needs through the sacrificial giving of God's people via church offerings. We thank God for His provisions. AMEN!
2. Praise the Lord for souls coming to know the Lord as Saviour as a result of preaching the Gospel in churches.
3. Praise God that the virus surge is currently in the decline and that the ICU units are not being overwhelmed at the moment.
4. Praise the Lord for safety and health as we report back to some of our supporting churches.

PRAYER REQUESTS:

1. Pray for the loosening up of Metro Manila. Some parts of the Philippines are starting to remove all restrictions but the Metro Manila area is still in lockdown as of February.
2. Pray for safe and peaceful elections. The Philippines is scheduled for national elections on Monday, May 9. We can only pray that good people would prevail, but pray for God's grace and power to serve Him regardless of who gets elected into power. A Presidential term in the Philippines lasts for six years.
3. Pray for the work in Tuktukan village to have a good day on Sunday, March 13, as they will celebrate their fifth year anniversary.
4. Pray for souls to be saved and for Christians to be challenged as they are visiting homes to set up satellite Sunday Schools and Bible studies in two villages during these capricious lockdown days, when we are not allowed to gather the children and teens.

There's a glory about these earthly days that the eternal days will never know about, and that is, being able to serve the LORD in the midsts of hardships. It is an honor to walk with Him and to work for Him.

Meet Bro. RJay - My Substitute Teacher/ Preacher

Since we came back to the U.S.A. in September 2021, I have continued teaching and preaching through the book of Psalms via live-stream to our precious flock in Tuktukan for their Wed. Night Bible study. I am thankful for younger and faithful men like Bro. RJay Pagcaliwangan who can substitute for me as I travel since there are times when traveling and schedule change precludes me from doing that. Bro. RJay and his wife, Sis. Amielle are solid disciples and such a help to our church work. He is one of the men who can substitute for Pastor Veloria in a pinch if needed. He also conducts an after church Bible study at Nanay Luring's house.

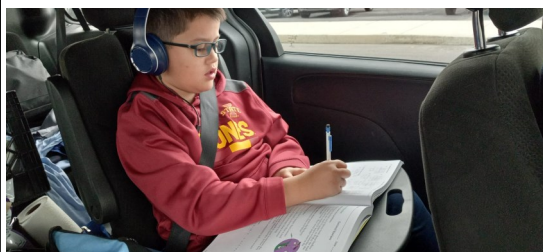

A Wonderful Reunion

It was an honor to be with Pastor Todd Falk and his wife, Carlene, their daughter, Eliana, and Bro. Robert Geizendanner. They were all part of a missions team of 13 members from Fishers Baptist Church, Fishers, IN who came and visited our work in July of 2017. It was so good to see them doing well and staying faithful to the Lord and His work in Fishers, IN.

Homeschooling Continues

Marcia continues to work with the boys and keeps them on track with their educational needs despite traveling and miscellaneous activities. The boys are doing well adjusting and adapting to all kinds of learning environments.

Six Years Ago

WT sat in Mrs. LaBlanc's classroom as a Kindergartner. He remembers spending time with her in her classroom. Praise God for continuing Christian servants like Mrs. LaBlanc influencing many young people for the Lord as a Christian school teacher. It is a joy to be able to see her again!

I Got Stuck in an Elevator

Oh well, it was, after all, a very good and super cheap rate via some hotel website. I did thank the firefighters for their help and service. It was just a fluke incident. God is good and eventually after about 10-15 minutes, I and five others were able to climb out between the first and second floor. Marcia and the boys were waiting in the lobby wondering where I was. HA! What in the world?!?
