German going on! What a wonderful opportunity for each child to hear another language and get along somehow with children you don't always understand.

Pete has had the opportunity to read the scripture several times which is wonderful. Please pray for health and strength, there is much sickness and many of our friends have Covid.

The war in Ukraine has also affected Romania. We have no fears but it has been wonderful seeing so many helping in so many ways. Thousands of people have been pouring into Romania bringing nothing with them. Pray for them to hear of Jesus and be saved.

Thank you for your prayers for us! Pray for Larisa, she has her driving test next week.

Pray, too, for Gina's grandchildren who have been coming regularly. David and Izabela are very well behaved and learn quickly. Please pray they will realize their personal need to trust in Jesus.

We have also continued to enjoy our serving at the Independent Local Baptist Church in Timisoara. I now have a little Romanian boy coming so I feel sort of like the UN with English, Romanian and
