

The Petersons

planting local churches
in Germany

March-April 2018

Dear Praying Friends,

In 1Corinthians 15:3-4, you will read, **“For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures.”** It is a joy to present this, the gospel message, to the lost world around us, especially at this time when we celebrate Christ's victory at the cross and His triumphant resurrection. May we be faithful in presenting the resurrected Savior to unsaved people now and throughout the whole year.

What a blessing it has been to see faithfulness in church attendance this year so far on the part of our church folks. Each LORD'S day, and on Wednesday evenings as well, most of our people have been in faithful attendance in spite of freezing temperatures and icy streets. A number of unsaved visitors have also been present to whom we delight in extending an invitation each time they come to trust Christ as their LORD and Savior. Please pray they will be saved soon.

The end of March and then on April 1, we will have our regular Good Friday and Resurrection Sunday services. This is a time when we give special effort to invite unsaved people to attend. Then on May 1, we plan to attend the annual northern Germany Bible conference. It is held each year one hour north of us near the city of Kiel, Germany. This year, the people are especially working to invite unsaved folks since the guest speaker will be Dr. Werner Gitt. He is a retired mathematician/scientist who worked for the German federal government and is a devoted Bible-believing Christian. The LORD has used his gift of public speaking to help several Germans see their need for faith in Christ. Many people have trusted Christ as LORD and Savior through Dr. Gitt's public ministry, and we are hoping to see that happen again on May 1.

PRAISES:

1. Praise the LORD for faithful church attendance of our church folks so far this year!
2. Praise the LORD for His working in lives of the church people toward greater spiritual growth.

3. Praise the LORD for His protection on icy streets so far this winter.

PRAYER REQUESTS:

1. Please pray for the soon salvation of Nader, Lukas, Natalie, Julia, Asterio and others.
2. Please pray for the Orthopedist to help Cynthia get relief from the arthritic pain in her knees.
3. Please pray for the soon salvation of souls through tract distributions and the above-mentioned functions in the days ahead.

Thank you for your faithful prayerful support!

In the Beloved One,

Tim and Cynthia Peterson and family
