Please pray!
1. Health and strength for Pete
2. Safety in traveling
3. Gypsies to be saved
4. Saved Gypsies to grow

and hope they will come.

Pete was fighting a cold for about a week, coughing and not eating much. Praise the Lord he seems to be over it and feeling better. I praise the Lord it didn't get worse. Thank you for praying for our health and safety.

Please continue to pray for those who need salvation; Ion, Izabela (Gina's granddaughter who sometimes comes), pray for Lusi to come and for Adi to get serious about living for the Lord.

We continue to help out at the Independent Baptist church in Timisoara, teaching, translating and generally being a witness and encouragement!

Thank you for your continued prayers!

Pete, Julie, Larisa Heisey

Report on Mosnita

Dear Friends,

We've been enjoying some cool Fall weather and some rain, needed though not completely appreciated! There has been a lot more sickness right now and several people we know have passed away. One would hope that might make our unsaved Gypsies realize their mortality and need of a Savior. That's our prayer, that the ones who still have time on this earth will trust Christ for salvation and forgiveness of sins.

Mariana's daughter, Ana was

back in Romania after 18 years. She and her family visited in the Gypsy section of our village where Mariana lives. Ana was with us from the time we first came to Romania and has heard the gospel but has not trusted Christ to save her. She realizes Christ could come back very soon but admitted she's not ready. She said she would come to a service but never did. She and her family live in Spain and weren't completely prepared for conditions in the neighborhood. Please pray for Ana to be saved and also her family.

While we visited there, many of the children came around and it was so nice to see and visit with some of them. Some don't come to our services so I pray our presence there will remind them that we still meet
