

The Petersons
planting local churches
in Germany

September-October 2021

Dear Praying Friends,

A scripture verse of testimony to our salvation in Christ is found in Psalm 107:2, ``**Let the redeemed of the LORD say so, whom he hath redeemed from the hand of the enemy;**'' On Sunday, August 29. five people testified before the congregation of their coming to faith in Christ and were immersed at the Baptist church here in Hamburg, Germany. They along with one other believer, who had be obedient in believer's immersion earlier, were then voted into the membership. What a blessing it is to welcome these six new members! Praise the LORD!

Working through the corona restrictions, we have been able to have our teens and young adults meet outdoors with other young people from a church north of Hamburg. In July, we held the youth meeting there in the backyard of their Pastor and family, and in August we were able to host the meeting at a park near where we live. Great fellowship was shared and the Gospel was clearly preached to unbelievers who attended. Please pray for them to come to Christ soon.

As the new school year is now underway, our son, Jason, is attending classes full-time. Our daughter, Laura, has graduated from college-prep school and is now our church secretary at this time. Trusting the LORD, we are returning to ever more of the programs from earlier. Cynthia is starting up the monthly ladies' meeting; and Tim has the men's meeting already in full gear. On Saturday, September 25, LORD willing, we will have an all-day couples' seminar with our older son, Aaron, coming as the key-note speaker. Thank you for your prayer for these meetings.

Hoping to be permitted to once again distribute evangelistic calendars to shoppers during the Christmas holiday season, we have ordered thousands of gospel calendars with our church contact information printed on them. Please pray for that permission, as well as for the ongoing door-to-door tract and invitation distributions we conduct on a weekly basis. Thank you!

PRAISES:

1. Praise the LORD for five believers who were immersed and joined the church recently!
2. Praise the LORD for one other believer who had already been immersed and joined also!
3. Praise the LORD for good health, in spite of corona, and safety in travel as we serve Him!

PRAYER REQUESTS:

1. Please pray for the soon salvation of Kim, Emily, Alina, Andrea and other young people.
2. Please pray for ongoing and planned evangelistic endeavors in light of current restrictions.
3. Please pray for four people at church who need to be obedient in believer's immersion.

Thank you for your faithful prayerful support!

In the Beloved One,

Tim & Cynthia Peterson
